Agenda

- What is Remote Proctoring?
- How Does it Work?
- Pricing
- Demo
- Questions

What is Remote Proctoring?

- Definition: Live proctoring using technology that allows candidates to take an exam from anywhere

How Does it Work?

- Order an exam
- Request remote proctoring service
- Provide required information
- Receive a link to provide to candidates for registration
- Candidates will self-register and login at their scheduled time to take the exam

Pricing

- \$20 first hour, \$10 each additional hour (based on scheduled test length)
- \$5 on demand fee if a candidate schedules or reschedules within a 24 hour window
- Can be paid for by candidate or agency

Examity Overview

- Founded in 2012
- Headquartered in Metro Boston
- 170 enterprise-wide clients
- 50,000 tests per month
- Test-takers world wide

Solution

- Level 3 Live Proctoring
- Flexible and Convenient
- Blue Alerts, Green Flags, Yellow Flags & Red Flags
- Full Transparency

Candidate Experience

- Login credentials sent via email from Examity
- Register and schedule with Examity
- Connect with a proctor on the day of test
- Proctor authenticates the candidate and live proctors the test hosted in Test.com
- 24x7 technical and customer support
